Digital Citizenship for Kids
By Renee

Pause and Think Online

What can kids share?
What's private?

Safe, Responsible, Respectful

One video

ALL DIGITAL CITIZENS

PROTECT PRIVATE INFORMATION for themselves and others.

RESPECT THEMSELVES AND OTHERS in online communities.

STAY SAFE ONLINE by listening to their gut feelings.

STAND UP TO CYBERBULLYING when they see it happening.

BALANCE THE TIME they spend using media and doing other activities.

common sense media

I am a Digital Citizen!

When I'm at school, I will use my **PERSONAL DEVICE** for **EDUCATIONAL PURPOSES** only.

*I will only use the assigned WIFI network when I'm at school.

*I will keep my device safe and secure at all times.

I listen to my **GUT!** I make sure that I am **SAFE & APPROPRIATE** when I am online.

*I will visit appropriate websites that promote learning and are for educational purposes.

*I will follow Copyright Laws, and will remember to cite the sources I use for all my projects.

I listen to my **HEAD!** I will protect my **PRIVATE INFO** and the information of others.

*I will log out, and not share my login or password with others.

I listen to my **HEART!** I **RESPECT** myself and others when I am online. I use kind words, and remember that my "digital footprint" should not harm others.

I **STAND UP** and say "No!" to **CYBERBULLYING**. I will tell an adult if someone is being unkind or harmful.
